

RICH MIX PRESENTS

**FILM &
PIZZA**

MENU

CELEBRATE THE SEASON WITH SOME SPARKLE.

Watch any film you like in one of our boutique cinema screens, and boost the festive factor with flavoured popcorn and plenty of prosecco!

Host an all-singing, all-dancing musical extravaganza, be transported by the latest blockbuster, or laugh along to a Christmas comedy classic – just pick and mix what you want from our flexible menu.

Want to keep the party going? Hire one of our reception spaces for a fancy tipple and take your pick of food options for all tastes.

Are you a group of less than 10? Simply choose your film from our festive line up, pick your drinks from our selection of pop and fizz, and we'll reserve a dedicated table in our cinema bar for you and your guests before your screening. Small group prices start from £15 per person.

Build your event package by choosing one of the following in each section:
