RICH MIX

Rich Mix is an arts centre, cinema and charity.

East London's home of independent film and music, we connect some of the city's most adventurous and diverse audiences to our exciting, ambitious and vital programme of contemporary culture.

As one of London's busiest arts centres, we're experienced in staging and presenting events of every kind. Our skilled team can expertly plan your event and ensure everything goes to plan on the day.

In August 2024, Rich Mix hosted the wedding ceremony for the lovely Anne and James. With over 50 guests, we helped the film-loving couple bring to life their vision of a unique wedding. It was such a pleasure to be part of their big day!

‘Everyone loved it. They loved the venue, the uniqueness, the film and – of course – the popcorn. We heard the words – best ceremony we’ve ever been to – from a lot of people, which is all thanks to Rich Mix.’

When looking for a space to hire for their wedding ceremony, Anne and James said they were ‘looking for somewhere that stood out, somewhere that was memorable, could fit a lot of people in and wasn’t prohibitively expensive. So... quite a lot. But Rich Mix delivered on all aspects.’

When asked what drew them to Rich Mix, they told us: ‘From the moment we stepped in it just felt “us”. It wasn’t stuffy or too traditional, and we could tell it would be a lot of fun on the day. The staff made us feel so welcome immediately, and the fact we had a cinema screen and projectionist at our disposal was the cherry on top.’

Reflecting on the event delivery on the day, the couple told us that the team ‘were so helpful throughout and were there from beginning to end, showing us around, answering our countless irritating emails, all the way up to and including the big day itself. They answered all our questions about set-up and tech requirements for the cinema screen so quickly and so comprehensively. They even let us come in for a tech run-through. They truly went above and beyond.’

‘We felt like two filmstars at the premiere of a lifetime.’
